

Easily enroll patients through one of the convenient options below. Using the EPIDIOLEX Engage[™] Hub will help you ensure your patient's EPIDIOLEX[®] (cannabidiol) CV prescription gets filled at the payer's preferred specialty pharmacy. If you already know the preferred specialty pharmacy for a patient's plan is an EPIDIOLEX Engage authorized specialty pharmacy, you also have the option to fax the enrollment form and prescription directly to that pharmacy.

1 Patient Enrollment

Access the enrollment form on www.EpidiolexHCP.com, or ask your Greenwich Biosciences Neurology Account Manager (NAM) to provide you with an enrollment form tear pad.

Submit the enrollment form through one of the options below:

Fax the completed enrollment form to the EPIDIOLEX Engage Hub

or

Fax the completed enrollment form directly to one of the EPIDIOLEX Engage authorized specialty pharmacies

2 Prescription Transmission

Depending on your state's e-prescribing rules, the supporting prescription may be electronically transmitted or faxed through one of the options below:

Fax or electronically transmit the prescription to the EPIDIOLEX Engage Hub

or

Fax or electronically transmit the prescription directly to one of the EPIDIOLEX Engage authorized specialty pharmacies

3 Benefits Verification Determination

If you faxed the completed enrollment form to the EPIDIOLEX Engage Hub, they will determine:

- The payer's preferred specialty pharmacy for Rx fulfillment
- The reimbursement status of EPIDIOLEX based on the patient's insurance coverage

 **You will be notified of the benefits verification outcome via fax**

or

If you faxed the completed enrollment form directly to one of the EPIDIOLEX Engage authorized specialty pharmacies, they will determine:

- If they are within the payer's preferred network for Rx fulfillment. If not, the Rx will be transferred to an EPIDIOLEX Engage authorized specialty pharmacy in the payer's network for fulfillment
- The reimbursement status of EPIDIOLEX based on the patient's insurance coverage

 **This may be a good option if you already know the preferred specialty pharmacy for a patient's plan and they are an EPIDIOLEX Engage authorized specialty pharmacy**

4 Prior Authorization (PA) Assistance

EPIDIOLEX Engage will initiate the PA process upon determination of benefits.

Note: If a PA is needed, an EPIDIOLEX Engage representative will provide you with the payer-specific PA form to complete and submit to the payer directly. EPIDIOLEX Engage will also follow up where required and assist with the process of collecting documentation for an appeal, if needed.

5 Prescription Fulfillment

The EPIDIOLEX Engage authorized specialty pharmacies will be responsible for filling the Rx and contacting the patient to arrange shipment.
